HELP ADULT SERVICES

New Location Open House

Omaha, NE, August 15, 2011 –To celebrate the opening of their doors at a new location in The Center Mall, HELP Adult Services will be hosting an open house and ribbon cutting ceremony at the second-floor Center Mall plaza on Thursday, August 18, 2011 from 3 PM to 5 PM.

Omaha Mayor Jim Suttle, Representative Lee Terry, and Council Bluffs City Councilman Matt Walsh (representing Mayor Tom Hanafan) will speak briefly regarding the impact HELP Adult Services has made in the community over the past 30 years.

The Open House offers the rare opportunity to tour the medical equipment warehouse and new offices. The public is invited to visit and tour the new location.

HELP Adult Services has been the leader in offering medical equipment rentals to those who are uninsured or under-insured or are unable to purchase brand-new medical items such as hospital beds, wheelchairs, walkers, bath-assist items, crutches, commodes, nutritional supplements, and much more.

HELP's new 42nd and Center street site offers an easy-to-locate central location with close proximity to UNMC, Veteran's VA Hospital, Creighton Medical, Visiting Nurses Association, Alzheimer's Association, Eastern Nebraska Office on Aging (ENOA), and AARP.

For additional information on the open house or HELP Adult Services organization, please contact Emily at 341-6559 x100 or visit www.helpadultservices.org.

ABOUT HELP Adult Services – HELP Adult Services was founded in 1982. Serving frail, disabled, and older adults, the programs include a Respite Companion program providing respite care to family caregivers and the Health and medical Equipment Loan Program (H.E.L.P.) offering affordable medical equipment rentals for those who are uninsured or under-insured or can't afford to purchase brand new equipment.
