Helping families with their Long-term Care decisions

How the Service Works

Meeting with the Family-Care Specialist

- Call 402-341-6559 x102 to set up a meeting.
- Start a conversation
- The Family-Care Specialist will ask questions to find out your needs and wants
- You will leave with:
 - ◇ Tools to help make the decision
 - ◇ Suggestions of places to visit
- The Family-Care Specialist will follow-up with you to ensure your needs are being met

How the Family-Care Specialist makes Suggestions

- All assistance is based solely on each family's needs. HELP Adult Services does not receive any "referral fees" from long-term care facilities, thus we can maintain impartial assistance to the families.
- The conversation with you is vital. The suggestions made are based on what is important to you and your financial parameters.
- The Family-Care Specialist has visited and assessed each facility and has researched additional sources to ensure our knowledge of the facilities in our community.

How to Prepare for Your Meeting with the Family-Care Specialist

Be prepared to answer some of these questions:

- What is important to you in choosing a new place to live?
- What type of activities are important?
- Do you need assistance in daily living skills?
- What is your ability to pay for a new place to live: Medicare, Medicaid, Veteran, financial resources, etc.?
